September 2016

Dear Parent/Carer,

## Year 9 GCSE Foundation Year Parent Information Evening

**Wednesday, 28<sup>th</sup> September 2016 – 5.30 – 6.30 pm – MAIN HALL**

As you are aware your child is embarking on a three year journey to their eventual GCSE success. It is very important that we ensure that your child has every success during this period.

GCSE results are a culmination of controlled assessments, which are completed in class under controlled conditions, and their final examinations which all form part of their final grade.

In order for you to fully support your child during this process we have organised an information evening where you will hear presentations from the Senior Directors of Teaching & Learning in maths, English and science.

The evening will allow you to gain an insight into how the final grades are calculated in the different subject areas but will more importantly give you advice on how you can best support your child at home.

Please return the reply slip below to your child's form tutor which will confirm your attendance.

Yours sincerely

S. ARNELL  
Deputy Headteacher

Mr G. RIGGS  
Pupil Progress Manager Year 9
