

## The afPE Quality Mark for Physical Education and School Sport

Congratulations to Claremont High School Academy for becoming the first school in Brent to be awarded the afPE (Association for Physical Education) Quality Mark for physical Education and School Sport. It is a prestigious award and a powerful way of celebrating success. The afPE Quality Mark recognises, through a succinct self review and evaluation process, the strength and quality of physical education and sport in the school. It also promotes the idea that high quality physical education and sport makes a difference to the learning and experiences of children and young people both within the subject and more widely across the curriculum. Well done to the PE Department.

### The purpose of being awarded the afPE Quality Mark:

- Ensures rigour and sustainability in the planning, monitoring and continuous development of high quality physical education and sport
- Recognises outstanding practice and innovation in physical education and sport
- Raises the profile of physical education and sport at a local, regional and national level
- Involves individuals and groups in recording and celebrating success so that the school 'stands out from the crowd'
- Recognises best practice in physical education and sport and provides a platform for sharing excellence and success
- Promotes a positive message to the local community
- Celebrates excellence in the organisation, management and delivery of physical education and sport
